Agenda Items	Discussion	Outcomes
Meeting called to order at 7:17 pm	Introductions	
Review of minutes	Minutes of the October 24, 2019 meeting were handed out to all committee members	A motion was made by Jean Kulbeth and seconded by Dr. Treva Lee to approve the minutes as written/amended
3 rd Full Time position-Lois	New building will have the facilities to expand the program and a 3 rd full time instructor will be necessary. Mandated ratios are 6/1 and the director is to be less than full time. Continue to have a waitlist. With the new building we will have 8 chairs (double what we have now)	Our application for 3 rd full time was denied this year. Will keep applying to RC for 3 rd full time position
Measure C-New building update-Shelly	Ground has broken and work has begun	Expect to be in the new building Fall 2021. Will keep the committee apprised of progress.
Clinical Training	We have 24 students to place. Letters to doctors were mailed out February 12th.	We have received 8 back so far.
New digital imaging-CAD/CAM	This will be great addition so the students will gain knowledge/skill in intra oral imaging	The equipment has been ordered and in the process.
Radiology-digital	Shelly has been working with RC computer staff to get the 10 computers loaded with the proper software to run the new titanium sensors	As of today, 4 are ready to go and the students will be taking 2 FMX with digital and 1 traditional FMX
Program Review	We are currently working on our program review.	We are looking at curriculum and equipment to make sure we are as progressive as possible.
