- Non-credit culinary math classes are in the process of approvals.
- Set-up meeting in January 2020 with Ron Weston & Donna Shulte to go over a proposal for getting high school seniors into our program.
- We are in progress of offering an A.S. in Baking & Pastry Arts as well as the Certificate that we currently offer. Once it goes through all of the approval processes, hopefully we can start offering this option starting fall 2020.
