Hello,

Brian Doan has asked me to reach out to you to get your approval of a name change to the photography certificate. It was originally changed a few years ago to "Advanced Photography Digital Media Certificate." Since then there have been organizational changes and the Digital Media program is now separate from photography. We would like to be sure that there is no confusion for the students. The new certificate has been changed to "Advanced Photography Certificate."

Please email me back and let me know if you OK the name change by emailing me back one of the choices below.

Yes, I approve of the name change from "Advanced Photography Digital Media Certificate" to "Advanced Photography Certificate."

No, I do not approve of the name change from "Advanced Photography Digital Media Certificate" to "Advanced Photography Certificate."

If you have any questions, please reach out to Brian Doan
