CJA Advisory Council and ISA members:

Santa Ana College, in partnership with the Orange County Sheriff's Department, is seeking to create a Basic Law Enforcement Academy Certificate of Achievement. Unfortunately, a certificate was never created, although both organizational partners have been successfully training peace officer recruits together since 1970.

In order to rectify this curriculum oversight, SAC will need to have its plan approved by the LA/OC Regional Consortium. One step in this process requires endorsement from the CJA Advisory Council and its ISA members.

Therefore, we are looking to seek your approval by getting individual email confirmations from everyone, no later than **May 18th**. Could you please email me back with your approval as soon as you can?

Thank you in advance for your time, consideration, and help. Please call me, if you have any questions.

Sincerely,

Subject: [External] OCSRTA Basic Academy Certificate

Dean Lowenberg:

As we have discussed, Santa Ana College, in partnership with the Orange County Sheriff's Department, is seeking to create a Basic Law Enforcement Academy Certificate of Completion. Unfortunately, the certificate was never created, although both organizational partners have been successfully training peace officer recruits together since 1970.

In order to rectify this curriculum oversight, SAC will need to have its plan approved by the LA/OC Regional Consortium. One step in this process requires the proposing college to secure the endorsement of the neighboring program(s).

Therefore, the purpose of my email is to seek your approval on behalf of Golden West College- the only other police academy in Orange County?

Thank you in advance for your time, consideration, and help. Please call me, if you have any questions.
