1<sup>st</sup> year students = 21

2<sup>nd</sup> year students = 19

There are 145 students currently on the Program wait list (WL)

### 4. NEW BUSINESS

Successful completion of the State inspection in October. It went very well!

Special “Thank you” to: Natividad, CHOMP, OrthoNorCal, Salinas Valley Memorial Hospital and to RMG for helping with the State inspection process.

Discussion about potentially implementing CE courses through the Cabrillo Extension Center.

Discussion about creating a new certificate of achievement for the MRI program – all stakeholders are interested and supportive of this opportunity.

5. STATUS OF CURRENT PROGRAMS:

RT –going well

Fluoroscopy – going well, one student failed

Mammography – Funded, needs an instructor, flyers

CT – initial phase is going well

Venipuncture - going well

6. JOB MARKET

All students who graduated in May 2017, who actively sought employment, are employed.

7. FUTURE PLANS

Stakeholders voted to pursue development of a post-primary certificate pathway for MRI.

8. RECOMMENDATIONS/PROGRAM NEEDS

Sustain Mammography Program

Develop Post-Primary MRI Program

9. ADJOURN

Meeting adjourned at 2:00 p.m.

Next meeting : Friday, April 19th

RT Laboratory, Rm HW 2106
