CA Annual Update Data

Data below is used in part II of the Annual Update Form. The first table is used in part II.a, the second table is used in part II.a, II.b and II.c.

If your program has cross listed courses and/or multiple topcodes in your discipline the data in the tables below <u>may be incorrect</u>. Please contact Institutional Effectiveness with a list of the cross listed courses and/or all of the topcodes in your discipline.

Chancellor's Office MIS data are used for course data and AHC Banner data are used for degree data. All data are current as of the end of a given term and aggregated by TOPCODE.
