Program Approval to LARC.pdf;

Dear Ms. Sundara.

On behalf of the Technology and Health Division at Mt. San Antonio College, I am reaching out to inform you that Mt. SAC is planning to offer an A.S. Degree in Supermarket Refrigeration. Since El Camino College is within the LARC and offers an A.S. Degree in Air Conditioning, we are including you in our collegial consultation.

I have attached a copy of our application for recommendation to the California Regional Consortia.

Please let us know if you have any questions or concerns. Please direct questions to Fred Kobzoff (Dept. Chair, AIRC), Dejah Swingle (Associate Dean, CTE), or Lance Heard (Dean, Technology and Health).

Respectfully,
Darrow Soares
