Dear LAWC Voting Members,

The purpose of this email is to serve as collegial consultation. Long Beach City College is submitting a request for program recommendation of the following programs in Construction:

- New Programs
 - ADU Remodeling – Certificate of Achievement (ACH)
 - Carpentry ACH
 - Construction Inspection Associate of Science Degree (AS)
 - Construction Inspection ACH
 - Construction Management AS
 - Construction Management ACH
- Modified Programs
 - Construction Technology AS
 - Construction Technology ACH

Since your college was listed on the LMI reports, we have attached the following for your review:

1. Labor Market Information reports from the Center of Excellence
2. Program Summaries from the faculty

If you have any questions or concerns on this, please reach out to me and the faculty, Jordan Jacobsma at jjacobsma@lbcc.edu.

Thank you,

Gita
