

Vote for the Game Art Design (GAD) for Game Development Fundamentals and Game Development Production

On Jun 20, 2024, at 21:06, David Dawson <DDawson@riohondo.edu> wrote:

I know we previously voted on these certificates during one of our advisory board meetings, but I'm reaching out for final confirmation on the updated versions and their new names. Before we can proceed to submit them to the chancellor's office for final approval, I need everyone's official vote on these two certificates of achievement.

Thanks in advance for your help, yawl are the best!

Certificate of Achievement in Game Development Fundamentals

This Certificate of Achievement is designed for individuals aspiring to become game developers, passionate gaming enthusiasts, and anyone eager to grasp the foundational principles essential for crafting compelling games. It equips students with the knowledge and skills necessary to pursue entry level positions within the diverse realm of game development.
