Hello

The Studio Art Department at LA Valley College (LAVC) is excited to announce plans to expand its offerings with a new Certificate of Achievement in Ceramic Design and Production. This certificate program consists of six required courses, designed to prepare students for careers and advancement in the fields of art and design.

Required Courses for the Ceramic Design and Production Certificate (18 Units):

Course	Title	Units
Art 708	Introduction to Ceramics	3
Art 502	Beginning 3-D Design	3
Art 709	Ceramics I	3
Art 501	Beginning 2-D Design	3
Art 710	Ceramics II	3
Art 700	Introduction to Sculpture	3

This program will equip students with the skills, practices, and knowledge needed to succeed in various ceramic design and production roles. Certificate recipients will be prepared to work in ceramic mass production, tile production, studio arts, small-batch production, private ceramic studios, and other related fields. They will gain expertise in using industry-standard equipment, hardware, and software, and be able to provide valuable support and productivity to companies, small businesses, and other organizations in need of ceramic design and production services.

For more information or questions about the certificate, please contact Professor Katie Queen at queenkt@lavc.edu.

Please share this information with your faculty and anyone who may be interested. If you have any concerns, feel free to reach out.
