Dear Biotechnology Colleagues,

The Biotechnology Program at Sana Monica College will be submitting a proposal for a new low-unit Certificate of Achievement - Laboratory Skills:

Required Courses (Total 8 units) Units Semester/Year

- Biology 30: Fundamentals of Biotechnology 1 (5 units)
- Biology 36: Quality Control and Assurance (3 units)

We hope that you will be in support of the new certificate program and if so, please indicate your support by replying to this email.

Ciao,

Karol Lu, Ed.D.
