Dear Colleagues,

LA Trade-Tech will be submitting two certificate programs in Graphic Design, Graphic Design Fundamentals and Advanced graphic Design. These are essentially our revamping of our Visual Communications certificates. Since all of the colleges have this program, I am sending it out to the group. Please let me know if your college has any questions so we can we can connect the faculty for collegial conversation and interactions. Thank you!

Dr. Marcia R. Wilson (she/her/hers)
