4. [Program Recommendation Process](#) - Ashley Etchison

- a. Marilyn appreciated having guard rails with the LIMI data.
- b. Jessica wondered if we should add noncredit as well to ensure alignment among the 12 colleges.
- c. Ashley asked the group if they want to invite the noncredit group to join the Deans meeting at the Quarterly Meeting to merge the two groups.
- d. Lori said he can give a whirl at the May quarterly [meeting](#). No vote needed.
- e. McKenzie asked how long ahead of time to request the LMI data; Shannon said 4 weeks.
- f. Shannon noted that LMIs are subregional but not by service area due to, often, limited available data. The data is good for two years.
- g. Bachelor's degree is a somewhat different process.
- h. Marilyn would like a list of all cc bachelor's degrees in the state – in existence and pending.
- i. An FAQ about the program recommendation process would be helpful.
