III. Program Recommendation

The Inland Empire/Desert Regional Consortium comprises the 12 community colleges in Riverside and San Bernardino counties. The California Community College Chancellor’s Office requires that all requests for new CTE program approvals include a recommendation from the “appropriate CTE Regional Consortium” (PCAH 8th Edition, page 26). This recommendation ensures program offerings meet regional labor market needs and do not unnecessarily duplicate programs. The IE/DRC vested responsibility for recommending new programs, programs revisions, and other program matters with its CTE Deans subcommittee. Regional recommendation should occur at the beginning of new program development. Colleges seeking regional recommendation must submit their request online at RegionalCTE.org
