

MEMORANDUM

To: Los Angeles Regional Consortium

From: Eduardo Galeana, Director of Strong Workforce Programs

Date: Wednesday, August 29, 2025

Subject: Collegial Consultation Process – Bachelor of Science, Electronic Digital Instrument

As part of our ongoing commitment to shared governance, we initiated the collegial consultation process by reaching out to the colleges within the LARC 19 on **Tuesday, August 19, 2025**. This outreach was conducted to gather input and feedback on the proposal for the Bachelor of Science Program in Electronic Digital Instrument at Rio Hondo College.

The documentation below serves as a formal record of this consultation process. As of the date of this memo, **no feedback was provided** by the regional colleges consulted in this process.

Please let me know if you require any additional information as part of this process. Many thanks for your assistance.

Eduardo Galeana

Director – Perkins, Strong Workforce, and Special Programs

LMI -BS Electronic Digital Instrument (1).pdf; Program Summary.pdf;

Hello LARC Voting Members,

The purpose of this email is to serve as collegial consultation as Rio Hondo College is submitting for the Program Recommendation for the Bachelors of Science in Electronic Digital Instrument.

We have attached the following for your review.

1. Labor Market Information for Electronic Digital Instrument.
2. Program Summary for BS in Electronic Digital Instrument.

If you have any questions or concerns, please reach out to me or George Wheeler at gwheeler@riohondo.edu.

Best Regards,

Eduardo Galeana
